

Conversion Guide

Each grain contains 38 mcg of T4 & 9 mcg of T3.

Due to the higher bioactivity of natural thyroid, physicians may choose a slightly lower dosage to achieve similar results for patients converting from synthetic thyroid.

Nature-Throid™
(Thyroid USP)

Armour®
(Thyroid USP)

Synthroid®
Levothroid®
Levoxyll®
(Levothyroxine)

1/4 grain (16.25 mg Thyroid USP)	1/4 grain	25 mcg (.025 mg)
1/2 grain (32.5 mg Thyroid USP)	1/2 grain	50 mcg (.05 mg)
3/4 grain (48.75 mg Thyroid USP)	N/A	75 mcg (.075 mg)
1 grain (65 mg Thyroid USP)	1 grain	100 mcg (.025 mg)
1.25 grain (81.25 mg Thyroid USP)	N/A	125 mcg (.125 mg)
1.5 grain (97.5 mg Thyroid USP)	1.5 grain	150 mcg (.15 mg)
1.75 grain (113.75 mg Thyroid USP)	N/A	25 mcg (.175 mg)
2 grain (130 mg Thyroid USP)	2 grain	200 mcg (.2 mg)
2.25 grain (146.25 mg Thyroid USP)	N/A	N/A
2.5 grain (162.5 mg Thyroid USP)	N/A	N/A
3 grain (195 mg Thyroid USP)	3 grain	300 mcg (.3 mg)
4 grain (260 mg Thyroid USP)	4 grain	N/A
5 grain (325 mg Thyroid USP)	5 grain	N/A
